

Declaration of Academic Integrity

Academic Integrity is a central tenet of Singapore Polytechnic. The polytechnic rules state that "Cheating in examinations and other assessed work is a very serious offence. This includes copying and using plagiarised material. Any student who cheats, attempts to cheat or breaches any rules for examinations and tests will face disciplinary action. The student is liable to be expelled."

Check **only one** of the two options below:

☐ I affirm that the work I submit is my own, produced without help from any AI tool(s) and/or other source(s).

☒ I affirm that the work I submit has been produced with the use of AI tool(s) and/or other source(s) which I have acknowledged fully in the [following section](#).

By signing this form, I declare that the above affirmation made is true, and that I have read and understood the rules stated in Students Handbook on "[Plagiarism](#)" and "[Breach of Examination/Assessment Rules](#)".

Name: Goh Kun Ming	Student ID: P2415691	Class: DAAA/FT/2A/02
Signature: 	Date: 10/6/2025	

Acknowledgement of use of AI tool(s) and/or other source(s) (where applicable)

AI tool(s)

Name of AI tool	ChatGPT
Input prompt	-
Date generated	-
Output generated	-
Impact on submission	Understanding of Coding Conventions such as PEP 8 and Google Docstring Conventions.

Other source(s)

Source	Impact on submission
<i>Artificial intelligence: A Modern approach</i>	Research on Markov Chain
<i>Introduction to Algorithms</i>	Understanding on higher levels and usage of Data Structure and Algorithms and their strengths and weaknesses
<i>Probability and computing : randomization and probabilistic techniques in algorithms and data analysis</i>	Research on Natural Language and its Statistical Dependencies.
